

# EBKA – Chelmsford Division

## Divisional Apiary Tenure Agreement

Tenure Number: \_\_\_\_\_

Tenure Start:            /        /

Space Number(s): \_\_\_\_\_

Tenure End:             /        /

### Conditions of tenure

#### General

- Your divisional membership **must** be maintained while your colonies are sited within the apiary
- You are responsible for the maintenance of your colonies throughout the period of tenure
- You agree to keep inspection records and make the records available if required
- You consent to the use of your colonies in divisional training sessions
- You consent to colony inspections in the event of concern over health and welfare issues
- You agree to participate in the periodic maintenance of the apiary area
- You agree to your contact details being stored inside your hive(s)
- You agree to remove your colonies from the apiary site by the end date stated above

#### Permitted Colonies

- Your colonies were not formed from swarms captured in the current season
- If your colonies are being transferred from another apiary, it can only be admitted if there has been no instance of EFB/AFB in the source apiary for five years

I agree to the conditions of tenure and the Apiary Guidelines
